Aim of the events:

Teach the fundamentals of good sportsmanship as well as help improve individual skills. Our MONITOR, COACH- to TEACHER, MANAGER ensures that participants have the opportunity to achieve to their full potential.

Understand that taking part in a Field Hockey TEAM helps players to build self-esteem, teaches them how to work together, and helps develop friendships that will last a lifetime.

Result of the events:

A positive sporting experience for every participant (players and public), every STEP and any AGE is important in our Sport!

Follow up:

Field hockey programs in Chile, are trying to provide an AUTO-sustainable system of financial support, which responds to the priorities of the organizations and is consistent with policies and priorities in their zones. This kind of massive events, teaches coaches, teachers, monitors, parents and managers, how to do things with a starting base of "0", building from that all their activities in a country where financial support in sports is very difficult.

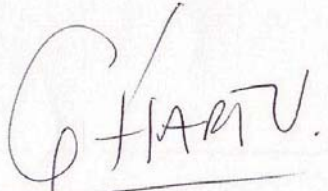

YOUNG PEOPLE MAKE THIS POSSIBLE!
