Trinidad and Tobago Hockey Board
Attention: Ms. Annette Knott – Secretary

via email

Subject: FIH World League Round 1

Dear Annette,

On behalf of the Pan American Hockey Federation (PAHF) Board of Directors and PAHF Member Nations, I would like to congratulate the Trinidad and Tobago Hockey Board for hosting a successful hockey tournament. Although there were many difficulties in the weeks and days leading up to the tournament, you were able to manage the host organization so that the outcome was one in which the athletes were on the field competing to the best of their abilities. Congratulations also to your teams that have qualified for the second round.

A new competition like the FIH World League is always challenging to start. I believe the Pan Am region can be proud of the performances of its teams and hosts in the first round of the competition.

With this experience behind you, the PAHF looks forward to working with Trinidad and Tobago Hockey Board in hosting many more international events in the future.

With kindest regards,

Aaron Sher
Honorary Secretary General PAHF
