3rd Ranked Team v 4th Ranked Team (to determine 3rd and 4th places)

1st Ranked Team v 2nd Ranked Team (to determine 1st and 2nd places)

3.3 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.4 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a challenge shoot-out competition as described in Appendix 9 will be played.

APPENDIX 3

RANKING IN A POOL

- 2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match :
- three points to the winner;
 - one point to each team, in the event of a draw;
 - no points to the loser.
- 2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
- a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.
 - c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
 - d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with paragraph 2.1 of this appendix. If there remains equality, then the teams involved shall be ranked according to paragraphs 2.2.a, b, c, and d of this Appendix.
 - f Should there still remain equality among two teams, then the ranking will be determined by a Challenge Shoot-out competition between those teams (for details see Appendix 9 of these Regulations).
 - g If more than two teams are involved, then each team will play a Challenge Shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 9 of these Regulations but with one round of 3 Challenge Shoot-outs only to be taken compulsorily by each team.
 - h A ranking will then be established based upon the results of the round of the Challenge Shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
 - i If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the Challenge Shoot-out competition.
 - j If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Tournament Director shall make a draw to establish each sequence of play if such further rounds of Challenge Shoot-outs are required.

APPENDIX 4

TWO POOL COMPETITION PLAN AND RANKING

1. PLAN OF THE COMPETITION

- 1.1 There will be two pools, each comprising half of the number of the participating teams. If the numbers are uneven, one of the pools will comprise one more team than the other.
- 1.2 The two pools will be composed as follows based on the FIH World Ranking as at the date when the match schedule is agreed:

POOL A	POOL B
1	2
4	3
5	6
8	7
9	10
12	11
13	14
16	15

- 1.3 If one or more team(s) does not participate, a reserve team(s), if called upon, will, in principle, take the place of the defaulting team(s). The FIH reserves the right to exercise an unfettered discretion to re-arrange the composition of the pools prior to the pre-tournament briefing meeting.

2. RANKING IN THE POOLS

- 2.1 Ranking in a pool is determined according to Appendix 3.

3. CLASSIFICATION MATCHES

- 3.1 The semi-finals will be as follows although the matches will not necessarily be played in this order:

1st Pool A	v	2nd Pool B
1st Pool B	v	2nd Pool A

The winners of these matches will play for 1st and 2nd places (the final) and the losers will play for 3rd and 4th places.

- 3.2 Classification matches for 5th to 8th places will be as follows although the matches will not necessarily be played in this order:

The winners of these matches will play for 13th and 14th places and the losers will play for 15th and 16th places.

- 3.5 If there are an odd but equal number of teams in each pool, the two teams finishing at the bottom of each pool will play against each other for the two last places in the tournament.

- 3.6 If there is an odd number of teams in one pool and an even number of teams in the other pool, classification matches for the last three places in the tournament will be as follows:

Bottom Pool A	v	Bottom Pool B
---------------	---	---------------

The losing team of this match will be ranked in the last place in the tournament and, to determine the next two higher places, the winner will then play the team that finished in the penultimate place in the pool which had the even number of teams. However, where there are either 9, or 13 teams in the tournament, the team finishing bottom of the pool which had the odd number of teams will not play classification matches, and will automatically be ranked in the last place in the tournament.

- 3.7 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

- 3.8 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match a Challenge Shoot-out competition as set out in Appendix 9 will be played.

- 1.4 If there remains equality among the two teams (same number of points and same goal difference), then they shall be ranked according to their respective number of "goals for".
- 1.5 If at the end of the regulation time of the third match the number of points, goals for and goals against awarded to both teams are equal, then a Challenge Shoot-out as set out in Appendix 9 shall be held to establish the winner of the 3 match series.
- 1.6 If the same team wins the first two matches, it will not be compulsory to play the third match.

APPENDIX 9

CHALLENGE SHOOT-OUT COMPETITION

In a Challenge Shoot-out competition, three players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 Respective Team Managers nominate three players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.
- 2 Team Managers sign the Challenge Shoot-out Competition form to confirm the nominations of the three players and the sequence of players to take the shoot-outs and submit the form to the Technical Officer on duty.
- 3 The Challenge Shoot-out Competition takes place after the end of a match, the above procedures must be carried out promptly so that the first shoot-out can take place within five (5) minutes of the end of the match.
- 4 A player who is still serving a disciplinary suspension by the Tournament Director at the time the Challenge Shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the Challenge Shoot-out competition, cannot take part in that shoot-out competition. A player who has been temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
- 5 The Tournament Director will specify in advance the goal to be used.
- 6 The Tournament Director will specify at the pre-competition briefing meeting the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
- 7 A coin is tossed; the team which wins the toss has the choice to take or defend the first Challenge Shoot-out.
- 8 The goalkeeper / defending player of the team taking a shoot-out may be on the back-line near the corner of the pitch.
- 9 A player taking or defending a Challenge Shoot-out may enter the 11m area for that purpose.
- 10 Players taking a Challenge Shoot-out and also defending those taken by their opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
- 11 Three players from each team take a Challenge Shoot-out alternately against the goalkeeper / defending player of the other team making a total of 6 shoot-outs.

- 12 Taking a Challenge Shoot-out:
- a the goalkeeper / defending player must stand at least 4 metres from the ball;
 - b the ball is placed on the 11m line ;
 - c an attacker stands behind the ball;
 - d the Umpire signals to the technical table that the time may start;
 - e an official at the technical table starts the clock which automatically issues an audible signal;
 - f the attacker and the goalkeeper / defending player may then move in any direction;
 - g the shoot-out is completed when:
 - i 8 seconds has elapsed since the starting signal;
 - ii a goal is scored;
 - iii the attacker commits an offence;
 - iv the goalkeeper / defending player commits an offence in which case the shoot-out is re-taken by the same player against the same goalkeeper / defending player;
 - vi the ball goes out of play over the back-line or side-line; this includes the goalkeeper / defending player intentionally playing the ball over the back-line.
- 13 The team scoring the most goals (or ahead by more goals than the other team has undertaken Challenge Shoot-outs available) is the winner.
- 14 A player may be suspended by red card but not by a yellow card during the Challenge Shoot-out competition.
- 15 If during a Challenge Shoot-out competition a player is suspended by a red card:
- a that player takes no further part in that Challenge Shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;
 - b the replacement for a suspended goalkeeper/defending player can only come from the three players of that team nominated to take part in the Challenge Shoot-out competition:
 - i the replacement goalkeeper / defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper / defending player they are replacing was wearing;
 - ii this player is allowed reasonable time to take off their protective equipment to take their Challenge Shoot-out and subsequently to put it on again.
 - c any Challenge Shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.
- 16 If during a Challenge Shoot-out competition, a defending goalkeeper / defending player is incapacitated:
- a that goalkeeper/defending player may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the Challenge Shoot-out competition;
 - b the replacement goalkeeper:

- i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - ii if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their Challenge Shoot-out and subsequently to put it on again.
- 17 If during a Challenge Shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the Challenge Shoot-out competition.
- 18 If an equal number of goals are scored after each team has taken three Challenge Shoot-outs:
 - a a second series of three Challenge Shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b the sequence in which the attackers take the Challenge Shoot-outs need not be the same as in the first series;
 - c the team whose player took the first Challenge Shoot-out in a series defends the first Challenge Shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of Challenge Shoot-outs, not necessarily being all three Challenge Shoot-outs, that team is the winner.
- 19 If an equal number of goals are scored after a second series of three Challenge Shoot-outs, additional series of Challenge Shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
 - a the sequence in which the attackers take the Challenge Shoot-outs need not be the same in any subsequent series;
 - b all eligible players from each team must take a Challenge Shoot-out before any one of them can take another; any Challenge Shoot-out due to be taken by a suspended player is forfeited;
 - c the team which starts each Challenge Shoot-out series alternates for each series.
- 20 Unless varied by this Appendix or Appendix 1, the Rules of Hockey5 and Hockey apply during a Challenge Shoot-out.

- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Tournament Director must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Tournament Director must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Tournament Director must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence charged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Tournament Director (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Tournament Director, a greater penalty. If a greater penalty is being considered then :

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Tournament Director in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c the match or matches to which the suspension shall apply (eg FIH events, any match played by the team member's National Association etc);
- d any terms of the penalty in addition to suspension(for example referral to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner of the behaviour constituting the offence).
