APPENDIX 2

ONE POOL COMPETITION PLAN AND RANKING

1 PLAN OF THE COMPETITION

1.1 There will be one pool comprising of all participating teams.

2 RANKING IN THE POOLS

2.1 In Hockey World League Round 1 and 2 tournaments, if the score is equal at the end of regulation time, a shoot-out competition as specified in Appendix 11 will be played to establish the winner of the match. The following points will be awarded for each match:

- three points to the winner of a match at the end of regulation time;
- two points to the winner of a shoot-out competition, where the score is tied at the end of regulation time;
- one point to the loser of a shoot-out competition, where the score is tied at the end of regulation time;
- no points to the loser of a match at the end of regulation time.

2.2 In any other one pool competition, points will be awarded according to clause 2.1 in Appendix 3.

2.3 Ranking in a pool is determined according to clause 2.2 in Appendix 3.

3 CLASSIFICATION MATCHES

3.1 This regulation applies only to the final classification play-off competition if it is to be played after the one pool competition.

3.2 The teams for the classification matches will be as follows although the matches will not necessarily be played in this order:

7th Ranked Team v 8th Ranked Team (to determine 7th and 8th places)

5th Ranked Team v 6th Ranked Team (to determine 5th and 6th places)

3rd Ranked Team v 4th Ranked Team (to determine 3rd and 4th places)

1st Ranked Team v 2nd Ranked Team (to determine 1st and 2nd places)

3.3 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.4 If at the end of regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 11 will be played to establish the winner of the match.

APPENDIX 3

RANKING IN A POOL

- 2.1 In each pool, all the teams will play against each other, and the following points will be awarded for each match :
- three points to the winner;
 - one point to each team, in the event of a draw;
 - no points to the loser.
- 2.2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
- a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.
 - c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.
 - d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with paragraph 2.1 of this appendix. If there remains equality, then the teams involved shall be ranked according to paragraphs 2.2.a, b, c, and d of this Appendix.
 - f Should there still remain equality among two teams, then the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 11 of these Regulations).
 - g If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 11 of these Regulations but with one round of 5 shoot-outs only to be taken compulsorily by each team.
 - h A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.
 - i If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the shoot-out competition.
 - j If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Tournament Director shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.

APPENDIX 4

TWO TEAM PLAY-OFF COMPETITION

1. RANKING IN THE COMPETITION

- 1.1 The two teams shall play three times against each other. There shall be at least one day rest during the competition and there shall be at least 22 hours time difference between the start times of matches on consecutive days. However, with the permission of the FIH, the requirement to have the rest day may be waived providing that the request for waiving that day is made to the FIH prior to the competition commencing with the agreement of the both participating countries.
- 1.2 The following points shall be awarded for each match:
- three points to the winner
 - one point to each team, in the event of a draw
 - no points to the loser

Teams shall be ranked according to the number of points each has accumulated in the competition.

- 1.3 If at the end of the competition, the two teams have the same number of points, they shall be ranked according to their respective goal difference (which means "goals for" less "goals against"). A positive goal difference always takes the precedence over a negative one.
- 1.4 If there remains equality among the two teams (same number of points and same goal difference), then they shall be ranked according to their respective number of "goals for".
- 1.5 If at the end of the regulation time of the third match the number of points, goals for and goals against awarded to both teams are equal, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 11 will be played to establish the winner of the match.
- 1.6 If the same team wins the first two matches, it is not be compulsory to play the third match.

APPENDIX 11

SHOOT-OUT COMPETITION

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing Rules and the procedures to be followed.

- 1 If the shoot-out competition takes place after the end of a match, the first shoot-out shall take place within four (4) minutes of the end of the match.
- 2 The respective Team Managers provide five players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.
- 3 A player who is still serving a disciplinary suspension by the Tournament Director at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
- 4 The Tournament Director will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.
- 5 The Tournament Director will specify the goal to be used.
- 6 A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.
- 7 All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the 23m area used for the shoot-out but must be at least 10 metres from the spot where the ball is placed at the start of the shoot-out.
- 8 The goalkeeper / defending player of the team taking a shoot-out may be on the back-line outside the circle.
- 9 A player taking or defending a shoot-out may enter the 23m area for that purpose.
- 10 Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.
- 11 Five players from each team take a shoot-out alternately against the goalkeeper / defending player of the other team making a total of 10 shoot-outs.

- 13 Taking a shoot-out:
- a the goalkeeper / defending player starts on or behind the goal-line between the goal posts;
 - b the ball is placed on the nearest 23m line opposite the centre of the goal;
 - c an attacker stands outside the 23m area near the ball;
 - d the Umpire blows the whistle to start time;
 - e an official at the technical table starts the clock;
 - f the attacker and the goalkeeper / defending player may then move in any direction;
 - g the shoot-out is completed when:
 - i 8 seconds has elapsed since the starting signal;
 - ii a goal is scored;
 - iii the attacker commits an offence;
 - iv the goalkeeper / defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
 - v the goalkeeper / defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
 - vi the ball goes out of play over the back-line or side-line; this includes the goalkeeper/defending player intentionally playing the ball over the back-line.
- 14 If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the Match Report subject to the provisions of Articles 17, 18 and 19 of this Appendix.
- 15 The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.
- 16 A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
- 17 If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:
- a that player takes no further part in that shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;
 - b the replacement for a suspended goalkeeper / defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
 - i the replacement goalkeeper / defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player they are replacing was wearing;
 - ii for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
 - c any shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.

- 18 If during a shoot-out competition, a defending goalkeeper / defending player is incapacitated:
- a that goalkeeper/defending player may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;
 - b the replacement goalkeeper:
 - i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - ii if this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.
- 19 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.
- 20 If an equal number of goals are scored after each team has taken five shoot-outs:
- a a second series of five shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;
 - b the sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
- 21 If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions specified in this Appendix:
- a the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - b the team which starts each shoot-out series alternates for each series.
- 22 Unless varied by this Appendix or Appendix 1, the Rules of Hockey apply during a shoot-out.

APPENDIX 12

APPENDIX 14

FIH CODE OF CONDUCT – GUIDELINES TO TOURNAMENT DIRECTORS ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Tournament Director.

The Tournament Director is to determine the level of the offence.

A report can be received by the Tournament Director from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Tournament Director must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Tournament Director will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Tournament Director must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The Tournament Director must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Tournament Director must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Tournament Director (through an interpreter if necessary). It should deal (at least) with the following matters:

- a whether or not the team member accepts the breach of the Code of Conduct;
- b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Tournament Director, a greater penalty. If a greater penalty is being considered then:

- a the disciplinary history of the team member;
- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Tournament Director in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c the match or matches to which the suspension shall apply (eg FIH events, any match played by the team member's National Association etc);
- d any terms of the penalty in addition to suspension (for example referral to the FIH Chief Executive Officer for further consideration by the FIH Disciplinary Commissioner of the behaviour constituting the offence).

- d FIH will publish the list of approved advertisements on its official website (www.fih.ch). Host organisers who wish to register a conflict of interest between a tournament sponsor and a participating team's sponsor must advise FIH in writing not less than one week prior to the start of the event. APPENDIX 16

VIDEO UMPIRE

1 POWER TO REFER DECISIONS TO THE VIDEO UMPIRE

- 1.1 The Match Umpires are the only persons who can refer decisions to the Video Umpire either directly or after a request from a team;
- 1.2 Referrals cannot be made as a result of protests, queries or pressure from players, Team Managers or Coaches on any decision. Teams (and their captains) will be held responsible for any violation or abuse of the Video Umpire protocols;
- 1.3 No one other than the Match Umpires, can stop the match to request a referral; eg the Video Umpire or Technical Officials at the Technical Table cannot stop a match.

2 UMPIRE REFERRAL

- 2.1 The Match Umpires may refer decisions to the Video Umpire when they are not convinced that they have taken, or are able to take, the correct decision relating to the awarding or disallowing of goals.
- 2.2 Referrals shall only relate to whether or not a goal has been legally scored.
- 2.3 The match Umpires are therefore entitled to request the Video Umpire to assist in making decisions which include, but are not restricted to:
 - a whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
 - b whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the cross-bar;
 - c whether the ball travelled outside the circle before it entered the goal either from a shot by an attacker during the taking of a penalty corner;
 - d whether a breach of the Rules has been observed within the attacking 23 metre area in the play leading to the awarding or disallowing of a goal. It is then for the Match Umpire to take any breach into account in reaching their decision.
- 2.4 The Match Umpire requests Video Umpire assistance using the "television-screen" signal; he / she relays by radio to the Video Umpire whatever information is necessary.

3 UMPIRE REFERRAL PROCESS

- 3.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.
- 3.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:

- 'Goal'
- 'No Goal'
- 'No Advice Possible'
- plus advice on any observed breach of the Rules.

3.3 If a breach of the Rules is observed and advised to the match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.

3.4 In the case of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment) the original decision of the Match Umpire stands. If there was no decision given before the referral, then the final decision is 'No Goal'.

4 TEAM REFERRAL

4.1 Each team is allowed one team referral request (which must be made through the Match Umpires) during regulation time in any match subject to articles 5.4a and 5.4b below of this Regulation and one team referral request during a shoot-out competition, subject to articles 5.4a and 5.4b below:

- a team referrals will be restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners and, during a shoot-out competition, whether a shoot-out should be re-taken. The award of personal penalty cards may not be the subject of a team referral;
- b any team player, on the field of play at the time of the incident, can request a team referral;
- c this player must indicate to a Match Umpire that he / she wishes to use their team referral. He / she must do so immediately after the incident or decision which is to be referred by using the 'T' signal as well as confirming this verbally to the Umpire;
- d the Match Umpires will not disallow any request for a team referral provided the 'T' signal has been used by a player and seen by the umpire;
- e the player requesting the team referral must inform a Match Umpire of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds;
- f if no question is received within 20 seconds the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty stroke, penalty corner or re-take of a shoot-out;
- g the Match Umpire then requests Video Umpire assistance using the "television-screen" signal, followed by a 'T' signal to denote a team referral; he / she relays by radio to the Video Umpire whatever information is necessary.

5 TEAM REFERRAL PROCESS

5.1 The Video Umpire calls for as many replays from any camera angle as necessary to reach a decision.

- 5.2 Within the shortest time frame possible, the Video Umpire provides his / her advice and recommendation:
- 'Goal'
 - 'No Goal'
 - 'Penalty Stroke'
 - 'No Penalty Stroke'
 - 'Penalty Corner'
 - 'No Penalty Corner'
 - 'Shoot-out to be re-taken'
 - 'No shoot-out re-take'
 - 'No Advice Possible'
 - plus advice on any observed breach of the Rules.
- 5.3 If a breach of the Rules is observed and advised to the Match Umpire, it is then for the Match Umpire to take into account the breach in reaching his / her final decision.
- 5.4 Implications for the retention or loss of team referral rights:
- a in the event that the referral is upheld the referring team retains its right of referral;
 - b in the event of 'No Advice Possible' (if the video footage is inconclusive, including through not having the correct replays available, the ball never being in shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral;
 - c if there is no clear reason to change the Match Umpire's original decision, the referring team loses its right of referral.
- 5.5 A team referral that has been already been adjudicated upon may not be the subject of a subsequent referral by the opposing team.

6 FOR UMPIRE AND TEAM REFERRALS

- 6.1 The final decision, including any matter of interpretation, remains with the Match Umpire and not the Video Umpire.
- 6.2 All other decisions remain with the Match Umpires.
- 6.3 Substitutions may not take place during the stoppage of play for a video referral; substitution may take place on the resumption of play subject to the Rules of Hockey.
