Welcome

From the Desk of Our Chairman, Mike Barminski
Moorpark, California, May 2016

Welcome to the 45th California Cup Field Hockey Tournament.

We want to thank every team who attends, each player who plays, every parent who cheers, and every coach, manager, referee, volunteer, medic, spectator and vendor who supports. Truly, without your efforts and support this event would not be a reality. In return, we will all see great field hockey and exciting matches, meet new people, connect with old friends, enjoy the beautiful Southern California weather and maybe finally get to say, "I'm going to Disneyland!"

While we value all of our volunteers, the organizing committee is an exceptionally dedicated group of people. They will be wearing red shirts or jackets during the tournament and, if you are so inclined, when you see one of them, please say thank you. Some of our volunteers have been helping for 45 years; I won't mention names, you know who you are. I will, however, mention by name the volunteers who have been helping the tournament for many years: Silvia Scally, Simon Walshaw, Dave Jackson, Joan Cicchi, Tom Harris, Patti Niccum, Phil Schofield, Rob Stevens, Leslie Warren, Bob Fleming, Mark Niccum, Dave Harris, Marc Bakerman, Karen Hayashi, Sergio Centeno, Saleem Aaron, Mano Aaron, Eric Bruton, Sal LaSala, Jan Stanke, Katie Moulder, Jyoti Aaron, Joan Barminski, Beverley Kornder, Louise Jandura, Chris Januszewski, Marissa Loo, Janice Mohr, and (saving the best for last) Coralie Van Marken. This kind of dedication would make any organization proud. Also, we are very grateful and lucky to be associated with Moorpark College and their wonderful staff and pupils who assist us with the California Cup tournament.

We strive each year to put on the best, most fun, and fairest tournament possible. As in life, sometimes things happen, when they do, rest assured that we are doing our best to make it right. Please treat each other with respect, follow the rules, and have fun.

Enjoy,

Mike Barminski, Chairman

*Veteran U.S. Men's National Team athlete
 Patrick Harris from Moorpark, California*

Patrick has competed for many years in the Field Hockey Federation of Southern California league championships and won multiple gold medals in the Super Division of the California Cup International tournaments. Pat is a dedicated and passionate player with more than 100 international caps. He is now playing for Mannheimer Hockey Club, a top German field hockey league club, and competing with much success throughout Europe.

Welcome California Cup!

Hyatt Westlake Plaza is pleased to welcome California Cup participants to Southern California. Join us before your tournament for easy grab-and-go breakfast options or after the tournaments for happy hour beverages and food in Harvest Kitchen & Bar. Make some time to stop by our full-service Starbucks for beverages made to perfection! Or gather with teammates around the fire pits while you make s'mores and enjoy the beautiful Southern California weather at this luxurious hidden gem in Westlake Village.

We wish you good luck and a successful tournament.
 See you again in 2016!

Luis Pablo Sanchez—President of Moorpark College

Dear Friends,

Welcome to Moorpark College! We are delighted to host the Cal Cup International Field Hockey Tournament once again, and we hope that you will take time to tour our beautiful campus while you are with us, including our nationally-renowned training zoo.

We are very proud of being cited as the fourth best community college in the nation by the Huffington Post in March of 2015. Moorpark College is serenely located in the beautiful hills of Ventura County, forty miles from UCLA and seventy-five miles from UC Santa Barbara. Our students enjoy a high-quality education and excellent support services at a low cost before transferring to prominent universities to complete the rest of their studies. We pride ourselves on taking great care of all students who come to our campus. Our culture particularly embraces international students so that they do not

feel alone or isolated when they arrive at our campus. I host monthly receptions in my office with our international students, and maintain Open Door Hours each week, when any student may visit me without an appointment. Our International Student Coordinator, Ms. Stacey Chen, is committed to helping all of our international students with any challenges they have in transitioning to a happy and successful experience at our college.

If you or someone you know is interested in learning more about our programs, or if you wish to support the Moorpark College Foundation which provides scholarships to resident as well as international students, please contact Dr. Jesus Vega in our Outreach office at (805) 378-1409, or via email at jvega@moorparkcollege.edu, or simply visit our website at www.moorparkcollege.edu. We would love to hear from you!

Sincerely,

Luis P. Sanchez, JD, LLM

USA Field Hockey

Dear Cal Cup participants,

Congratulations on being part of the 2016 Cal Cup, a tournament that is internationally renowned and with deep heritage in the story of field hockey in the USA. The Cal Cup provides opportunities that are important in supporting the men's game, as well as the game for all and I wish all of you a wonderful hockey time as you come together to compete and celebrate the sport.

As you compete, over in Toronto our Men's Junior National Team will be competing in the Junior Pan American Championship. These athletes have played in a number of Cal Cups and we wish them all the best in competition. Later this summer, our Women's National Team have the honor competing in the 2016 Rio Olympic Games. We send our very best wishes to our teams who proudly represent our sport and our country.

USA Field Hockey is the National Governing Body for the sport of field hockey in the United States. This is what we are about: to Serve Members, Grow the Game, and Succeed Internationally. This is a simple statement that captures our purpose, and what we exist to do. We serve members by putting on valued programs, that generate a surplus income, which we invest in developmental activities to grow the game and in our national teams to help them succeed internationally.

First and foremost, we are a service organization, serving our members. As we continue to improve our programs and services we will have more resources available to us as a sport to invest in the other two strands of our mission (which cost money). Our development activities include coach education, umpire training and grassroots participation programs. Supporting our national teams includes ensuring that the systems are in place that are required to compete on the international stage, from the world's best coaches, to top venues, international travel and more. It is a relatively straightforward proposition. The better we serve members, the more resources we generate; the more we invest in the sport, the better the sport is for more people.

Thank you to the Field Hockey Federation and the Cal Cup Organizing Committee for what I am sure will be another successful tournament and thank you to you for your support and enjoy hockey experiences at their finest at the 2016 Cal Cup.

Simon Hoskins, Executive Director – USA Field Hockey

PAN AM GAMES - USA U21 Men's National Team

It is an exciting time to be on the USA U21 Men's National Team. As you read this we are competing in Toronto at the Pan American Championship. Our preparation included camps in the 2015 fall and the early spring of 2016. We also played a test series in Chula Vista against our friends from Canada. In March we were fortunate enough to spend 10 days in The Netherlands where we trained 8 times and played 5 matches vs Men's teams. Combine this with the Strength and Conditioning program that the guys follow and you can be assured that these young men will represent the country well. As a coach it is great to see the opportunity CalCup provides for boys field hockey in the USA. All players currently competing in Canada played at the CalCup the past years. Enjoy CalCup 2016. GO USA!

Rutger Wiese, USA U21 Coach

Bulldogs Teammates Selected to US Men U21 Squad

Sean Cicchi, George McGuigan, Trent Warren, Doug Allison and Ethan La Sala have been selected to the squad which will represent the US at the Jr. Pan Am games in Toronto. To prepare for the games they toured with the U21 squad to Holland in March and gained invaluable experience.

The squad was based near Amsterdam and played a series of games against local Dutch teams. Through a series of five games and intensive training, the team returned to the US feeling that they had made massive strides in the team's development as they move closer to the Junior Men's Pan American Championship in Toronto, Canada.

"Tours like this are of crucial importance for the development of this team and the overall program." said Rutger Wiese, U-21 USMNT Head Coach. "This tour was a huge success." said Chris Clements, U.S. Men's National Team Head Coach. "Elite level competition and immersion in one of the greatest hockey cultures in the world extends the players in every element."

Team captain, Sean Cicchi, commented, "This was by far the best hockey this group of boys has ever showcased together." George McGuigan agreed that the tour was a great experience. "It was great to play against established clubs and get a taste of European Field Hockey". George commented also on one of the trip highlights which was to see the semi- finals of the European Hockey League. "The atmosphere was electric and the skill level immense."

These young men now aim to take that experience and motivation to Canada. Keep an eye out on the results and remember that while we have a number of Bulldogs missing from Cal Cup, they will be gone for a pretty good reason.

Go U21 USMNT...Go Bulldogs!

Women's Hockey at Cal Cup

Dear California Cup Tournament Committee,

I just wanted to let you know how much of a tradition your tournament has become for the girls of the Quicksilver Cats Field hockey team. We are a club, located primarily from the Town of Los Gatos California. The team has been coming for over 22 years, and we have enjoyed each and every experience. I have personally enjoyed my time as a player, referee, and as a coach for the last 38 years!

The girls have used the Cal Cup experience to expand their knowledge of the game, and to bond as a team! The matches are always challenging and competitive. We have probably won as many matches as we have lost, but that never seems to faze the girls. The opportunity to watch the games at the highest level on the "Super Turf" are the highlight of the trip. Many of the girls have returned to the tournament, to play in the various women's divisions provided.

On behalf of the coaching staff, the girls and their parents, we thank you in advance for all your hard work. You are all to be commended for the great things you do for the sport we all love so much!

Yours in hockey,

Quicksilver Cats Field Hockey Club

The Australian Mates4Mates ADF Men's and Women's Hockey Teams

Established in 1982, the Australian Defence Force (ADF) Hockey Association is a hockey club that is dedicated to ensuring that members of the ADF can continue to play the greatest game of all once they volunteer to defend Australia and its interests. Hockey in the ADF has a long and rich history, with records and images of matches being played against British, Indian and Canadian team's right back to the First World War.

The two teams competing in this year's CALCUP are made up of members of all three services, (Army, Navy, Air force) and are veterans of the war on terror, border protection, peace making, and peace keeping in the South Pacific region.

The teams have made a commitment to raise funds for the veteran's organisation "Mates 4Mates". This organisation is dedicated to the support of physically and psychologically wounded veterans and their families. If you can, please help us in this endeavour.

This is the first tour of the United States for an ADF hockey team. The group is very excited by the prospect of some great hockey and some wonderful social experiences. We are looking forward to a great weekend!!

Australians and Americans have fought side by side for a century now, from the muddy fields of northern France in WW1, the Pacific in the Second war, Korea, Vietnam and now the Middle East, Afghanistan and the Persian Gulf. We are hoping to be invited to any Memorial Day activities that are taking place, in honour of those that have made the ultimate sacrifice.

We would like to thank the organisers and participants of CALCUP 2016, for allowing us to be part of what should be a great experience and a lifelong memory.

Cal Cup Field Hockey and Ayso Soccer-Region 363

The organization of the California Cup International Field Hockey Tournament would like to acknowledge the recurrent support offered by the local youth soccer organization, AYSO.

Since we added play location at the Arroyo Vista Park fields 5 years ago, Moorpark's AYSO Region 363 have been always present to make sure we had everything we needed to support games on these fields.

The California Cup Organizing Committee would like to thank the current and former Commissioners, Joe Bellomo and Bill Gratke for their sportsmanship. We appreciate all the support we received from you and your Board.

THANK YOU!!

Cal Cup Guidelines

For all participants and supporters

The California Cup Tournament Organizing Committee prides itself in conducting a family event. Players of both genders, from many nations, 5 to 80 years of age enjoy these four days of hockey competition. Older players are role models for the youngsters and should set an example that shows our sport in the best light. In the interest of allowing everyone to have a good time, please observe these guidelines. Your cooperation will enhance the California Cup tournament and field hockey.

1. Respect for the young players, their parents and the State Law dictates a policy of no drugs, smoking or alcohol (without permit) on the campus of either Moorpark College or other Cal Cup venues. Smoking is permitted in parking lots only. A sponsored Beer Garden, available to individuals who are 21 years or older, is located adjacent to the Super Divisions Field. Campus Police are required to confiscate any prohibited items found on the College Campus.
2. Players, supporters, spectators or others who engage in inappropriate behavior on or off the playing fields, will have the circumstances reviewed by the California Cup Disciplinary Committee. It is expected the decision of this committee will be supported by the Campus Police if necessary.
3. Parking is permitted on Campus only in authorized areas.
4. No campers are to be parked on campus overnight. Directions to Oak Park will be provided to potential campers. A campground is located three miles from the college on Los Angeles Avenue between Moorpark and Simi Valley.
5. No drugs or alcohol are permitted on campus.
6. No animals are allowed on campus, including dogs (VCCCD Gov Board Policy 3503). Violators of this regulation will be required to leave the campus and will not be allowed to return until they have removed their dogs from the campus, including the parking lots. This applies to all tournament participants, spectators, organizers, friends of the Field Hockey Federation and vendors. NO EXCEPTIONS WILL BE MADE and the Field Hockey Organizing Committee is expected to assist with the enforcement of this regulation.
7. Participants are expected to pick up after themselves and use trash containers.
8. Parking next to the Super field is to be done at the risk of the vehicle owner.
9. Our printed schedules are accurate and up to date when they are printed; however they must be viewed as tentative as conditions may change.
10. Please enjoy the tournament and good luck in the competition.

CARDEN CONEJO SCHOOL

We would like to congratulate the Conejo Bulldogs players chosen for the U-21 U.S. Men's National Team: **Sean Cicchi, Ethan LaSala, George McGuigan, Doug Allison, and Trent Warren.** Sean, Doug, and Trent were first inspired to become hockey players while they were elementary students at Carden Conejo School.

Go Team USA at the U-21 Pan Am Games in Toronto!

Carden Conejo School offers a challenging curriculum taught by specialist teachers for every subject, to instill in our students self-confidence, communication skills and creativity. Our students develop a life-long passion for learning. The school prepares students for challenging secondary schools and beyond.

If you are interested in learning more about a Carden education for your child, please call for an appointment. We would love to show you our school.

David Harris

We are proud to honor David Harris as a 2016 Lifetime Achievement Award Winner

In the days when hockey goal keepers played with only cricket pads, toe-breaking kickers and no protection above the waist, David Harris started enjoying games as a field hockey player, participating in the local FHF league, many California Cup tournaments, and National Sport Festivals.

In 1976, David began his umpiring career officiating local California juniors, CalCup tournaments and was later selected to umpire in Canada, Germany, Holland and the Pan Am games.

As a coach, David has managed boy youth teams and has coordinated trips to Canada, Mexico, and Europe while supporting the international hockey careers of his sons, Patrick and Sean.

David has been a key figure in the development of the Moorpark College Hockey Center. He has given many valuable hours of his life to help and dedicate his experience in the construction of the Players/Officials structure and new scoreboard at the turf field, the construction of the Office/Snack Bar Building, and the Restroom building.

After participating in the CalCup tournament as a player, a Super Divisions Coordinator, Director of Venue, and since 2009 as the Manager for the Super Divisions, David will be stepping down but plans to continue his support of field hockey by teaching and guiding a new generation of players. "I think I will be involved in hockey until the Lord calls me home," notes David.

The Field Hockey Federation and the California Cup Organizing Committee wish to thank "Dave" Harris for his years of qualified support for the development of field hockey in Southern California.

On this 45th Cal Cup 2016, the CCOC wishes to say:
"Thank You David for your unconditional support to Field Hockey!"

Umpires Management Team – Men and Women

Saleem Aaron – USA

FIH Grade I

Most Recent: 2015, Pan Am Games, Toronto. 2015 World League Round 2. Junior World Cup Malaysia, World Cup Qualifier NZ, Asian Champions Trophy China, Pan Am Rio, 8 Nation

Cup Malaysia, Pan Am Cup, South American Championship, indoor Pan Am. Central American games. Grew up playing FH from the age of 10 in Moorpark. Calif. Misses playing in the Cal Cup with MPK Coyotes

Gus Soteriades – USA

FIH Grade I

Gus debuted when the game still had off side. Never played competitively but rose through the ranks with the help of bicoastal mentors and tournaments like Cal Cup, JFK, and Port Jersey. Has three

Pan Am games, Olympic qualifiers, two indoor world cups, Pan Am cups, World league, and an Asian games. Has been grand poobah of Atlanta cup umpires for 10+ years. JPOL umpire manager for two years. Has sat on PAHF umpire committee for over 8 years.

Super Division Technical Officers

Louise Jandura – USA

Technical Manager - Women

PAHF TO Level I, USFH Level II Umpire, USA FH region 11 Umpire Coordinator. Cal Cup 25 years- as player, umpire, and member of the Super Division Technical Staff. Academic All American

honors Field Hockey, Basketball and Softball. College: Massachusetts Institute of Technology, BS & MS Mechanical Engineering; Jet Propulsion Laboratory, Pasadena CA: Chief Engineer for the Sampling System of the Curiosity Rover on Mars and the new 2020 Mars Rover.

Michael Lipka – USA

Technical Manager - Men

PAHF TO Level II. Mike has been playing field hockey since he was six years old. He later spent two years on the USA Men's Junior National team. Mike umpired USAFH events, NCAA matches, and International Friendlies for the USA Men's Junior National

and National Team. He was appointed to his first international tournament in 2015 as the Technical officer. Mike has been a part of Cal Cup for the past 26 years as a player and umpire. His home hockey club is MPK Coyotes and is active in umpiring upper division games.

Judges:

Karen Hayashi • Juan Manuel Perez Leon • Marisa Loo • Suzanne Albanese • Mahesh Saraswat • Lily Herzig

Junior Division Umpires Management Team – U-14 – U-8 Technical Officers and Umpire Managers & Assigners

Coralie Van Marken | Janice Mohr – USA

Coralie and Janice run the FHF Junior Division league games for the past 20 years and also manage the Junior Division during the CalCups. Coralie was a Holland Equestrian Team Member in the 1972 Olympics. Janice plays Hockey for the Road Runners Social team and her Sons Grant and Blake are players and umpires.

Grass Fields & Stadium Staff:

Nku Davis – *Competitive Men & Women Coordinator*

Blake Mohr – *Junior Umpires Manager*

Grass Umpire Schedulers: Juniors to Social Division

Chris Januszewski • Jan Stanke • Coralie Van Marken • Janice Mohr

2016 Super Division Umpires

Blake Mohr – USA

Blake, born and raised in Ventura, CA, began playing hockey in the FHF league at the age of six. His umpiring career at the age of twelve in 2006, progressed to umpire FHF Division 1, U-21 USA Men's National team vs. Canada series, and U-21 Women's National Championships.

This will be tenth California Cup to officiate. Blake gives back to hockey by training and mentoring the next generation of junior umpires within FHF.

Mary Driscoll – USA

Played field hockey at Penn State University from 2000-2004, where I had the honor of playing in the Final Four. I began umpiring in 2009. I earned both a level 3 USA FH rating and became an Outdoor FIH umpire in 2012. Second appearance in Cal Cup.

Swampy Marsh – New Zealand

Umpired at the FIH Masters World Cup 5 times including 2016, and umpired a Grand Final there 4 times. Originally from New Zealand but having lived in Australia for 13 years I have had the pleasure to be a part of some of the best hockey as a player, coach and umpire. Note:

Swampy and his hockey playing wife Karz, make their home, in Northern California.

Jamar Springer – Barbados

FIH Umpire. California Cup umpire since 2010. "I enjoy the ambiance of the entire Cal Cup tournament, the camaraderie among participants and of course, umpiring the high level of hockey which California Cup provides; and meeting and interacting with umpires and players from all over the world."

Lutz Horn – Germany

Started umpiring at the age of 13 in northern Germany youth championships. German National Umpire 2003. Umpired 200 National and International matches. Second appearance in Cal Cup.

Suzanne Albanese – USA

US Level III umpire Big Apple Indoor tourney TO ,Big Apple umpire , JPOL indoor umpire Played DI hockey for University of Delaware JPOL outdoor umpire, RCC umpire NCC umpire, NCC TO JPOL TO, Junior Olympic umpire Cal Cup umpire Assistant Varsity field

hockey coach Princeton High School 2015, NIT umpire USFHA Fundamentals field hockey coach Collegiate umpire Alternate 2016 Women's Master's World Hockey team, 2 of my 3 kids are hockey umpires.

Keely Dunn – Canada

Keely is a Gr.1 Outdoor and FIH Indoor Canadian umpire. She has over 100 combined (senior and junior) international caps including two Junior World Cup and umpiring two Olympic Qualifiers. Keely contributes to the umpiring community in Canada through clinics, umpire coaching, managing, and one-on-one mentorship

Lance Sarabia – USA

FIH 2011. Earned FIH badge in 2011 at the Pan American Challenge in Rio de Janeiro Brazil. 30+ International caps. Works in Digital Marketing at K-Swiss Global Brands. Enjoys hiking with his Labrador Sochi; Recreationally travels to various sporting events around the

world. 23rd Cal Cup playing and umpiring. MPK Coyotes is his hockey home.

Kristie Toupin – USA

USFHA level 3 umpire. College: North Eastern University with full athletic scholarship. Captain of the 1995 final four team. Participated in US Olympic training camps. Played Junior Olympics 1992, and Olympic Festival 1994. Kristie enjoys competitive hockey and has been umpiring for 21 years. Second appearance in Cal Cup.

Maggie Befort – USA

FIH Outdoor 2013. College: Syracuse University; played 2007-2010; Received Individual and team recognition for Big East Championships and a NCAA Final Four. Umpiring from 2013, USFHA Level 3. Second appearance in Cal Cup.

2016 Super Division Umpires

Grant Hundley – USA

- FIH, Road to Rio Development Group 2013
- 2013 Junior World Cup
- 2014-Euro Hockey League.
- 2015 Pan Am Games - Toronto, Canada,
- 2015 World League Finals - Raipur, India.

Florian Morla – Germany

- 11 years German Bundesliga
- 2014 Masters World Cup Rotterdam
- 2015 Masters Euro Cup London
- 2015 first Cal CUP appearance

Neil Smith – Great Britain

- Been umpiring National league in UK for 10 years, progressing through Middlesex County, South and into National
- Have been lucky enough to umpire HA Vase, HA Trophy national cup finals and Oxford v Cambridge university varsity matches

Ridge Bair – USA

- Began umpiring in 2010
- USAFH Level 3 Outdoor and Indoor Umpire
- Umpired first international matches indoor in 2013
- Appointed to World League Round 1 in September/October 2016

Maria Querejeta – Argentina

Umpires in Argentina in the Premier League. Third appearance in CalCup.

2015 Ross Rutledge Award

Ross Rutledge joined the national field hockey program in the early 1980s and played for thirteen years. He competed at the highest level of international field hockey. His career included 3 Pan American Games (Gold in 1983) and 2 Olympic Games (1984, Los Angeles, 1988, Seoul). As a result of Ross' leadership skills, he was made Canada's team captain from 1987 – 1991. He has been described by his peers and coaches as the best center forward and finest goal scorer Canadian field hockey ever produced. Those who have had the opportunity to watch Ross direct his Millionaires to the top of the awards podium year after year can reflect upon his talent as a hockey athlete.

After his career as a player, Ross became a level 4 NCCP coach and guided senior men's and women's teams throughout BC. Sadly, Ross passed away in April 2004 at the age of 41.

The California Cup Organizing Committee (CCOC) established the Ross Rutledge Award in 2006, awarded annually to the highest goal scorer in the Super Divisions at the California Cup, to acknowledge the accomplishments of each year's top goal scorer in memory of the most prolific goal scorer in California Cup history.

The winner of the annual Ross Rutledge award is immortalized with his or her name engraved on a permanent cap stone installed on the masonry wall on the side of the field at the Tournament site.

Claudia Ines Burkart

Luke Doerner

The following players have been honored with the Ross Rutledge Award as the top goal scorers in the Women and Men Super division at the Cal Cup 2015 Field Hockey Tournament:

Super Women: Claudia Ines Burkart scored 5 goals - Club C.A.S.I - Argentina

Super Men: Luke Doerner scored 6 goals - JDH Montauk Sharks

CCOC congratulates them both on their achievement as the top goal scorers in 2015 Cal Cup

 3rd #1 - Team w/3rd highest pt total between 1st place teams (#1)

Version 4.1
5/10/2016 3:47 PM

Presidents Award – Joan Cicchi

Joan Cicchi has served the FHF as Treasurer since before many of us can remember (2007). Under her leadership our financial state has gone from the “paycheck to paycheck” style to one where we have met our funding goals for our field replacement and have sufficient reserves to cover surprises. Joan has instilled a budgetary discipline that has FHF in a secure financial position. Joan is also our Parliamentarian and has served to develop our bylaws and our constitution. Joan is a loyal Bulldog and CalCup committee member and supports those groups the same way. Joan and Mike Cicchi have three children, Meghan, Brendan and Sean. Meghan played field hockey at Lafayette and Sean is currently a member of the US Men’s National team and the U21 team. Joan has done so much over the years that she is being replaced by two people. While she is retiring from FHF we still expect to see her at the field supporting her field hockey family.

Presidents Award – Marisa Loo

Marisa Loo has served FHF and the membership in a variety of ways for many years. Marisa is currently serving as a Director for FHF as Women’s Coordinator, and she is also helping with our marketing efforts. You can say hello to her as she works the technical desk for the supers during CalCup 2016. Marisa has dedicated much of her time with us as a coach. She is coaching Futures, Ventura County Red Devils and for Moorpark. She was kind enough to volunteer to help coach our local kids in preparation for their trip to Pennsylvania for the National Futures Championship. Marisa has also been the go-to person for coordinating our events with visiting Australian or English teams. Previously Marisa was the coach at Chaminade high school. Today she plays for the Jolie Pitts in our D1 Women’s division, and she played in college at Brown University. Prior to playing at Brown, Marisa traveled to Australia with the futures elite team and played for the Camarillo Cougars. Marisa will begin a Masters program at Ball State in the fall.

**Female Athletes of the Year
Iliana Cabral and
Hannah Schofield**

Congratulations to Iliana Cabral and Hannah Schofield for their selection as Female Athletes of the Year for 2016! Ili and Hannah are the latest in a line of players from Ventura County to take their love of Field Hockey to the college ranks. Ili has given her verbal commitment to Yale and Hannah has given her verbal commitment to Stanford. Both are very strong academically and they are leaders on and off the field. They are both highly motivated players and they practice or play 6 days per week. Both play in our U18 boys division and they find the competition and the level of play to be very challenging and great preparation for the speed of the game they will face in the coming years. They have both been travelling most of the Spring to the Level 1 Futures in Chula Vista and the college tournaments up North. When Ili is not playing hockey, she can be found playing soccer for La Reina High School. Hannah runs Cross Country and Track at Moorpark High School. Neither High School offers Field Hockey. Both Ili and Hannah were recruited into the FHF through our Middle School program. We are very proud of you girls and we look forward to seeing you play at the next level.

**Most Promising Young Umpire –
Evan Hrychyk**

Congratulations Evan Hrychyk for your selection as this year’s Most Promising Young Umpire. The league appreciates your service. At age 11 Evan started playing field hockey for Chaparral Middle School at a local Middle School tournament.

Soon after his first tournament, Evan began playing for the Moorpark Coyotes Club and at the age of 14 began umpiring. He recently helped coach and umpire at an Elementary School tournament, similar to the tournament that introduced him to field hockey. Not everyone is cut out to be an umpire, dealing with stressful situations and the need to maintain close focus and control of the game, Evan seems to manage all of this so effortlessly, always with a smile and never losing his composure. He is a reliable umpire and is always willing to help cover when other umpires can’t make their games. Evan has also showcased his umpiring services at the National Hockey Festival. In addition to umpiring, Evan is also a top player, he is part of the local high performance group, the Ventura County Red Devils. He played in our series against the East Coast in Chula Vista in the beginning of this year. When Evan is not playing or umpiring he can be found running track for Moorpark High School, and he is also an Eagle Scout candidate who hopes to finish his Eagle project this year. Thank you Evan for your service to the League and to the community!of the year.

Summer Hockey Camp 2016

Under the direction of Shawn Nakamura and Marisa Loo, youth players are invited to attend two hockey clinics this summer. Each clinic will be held at the Moorpark College turf field from 9am – 1pm. Camp pinney is included, mouth guards and shin guards are mandatory.

July 30th: 9am – 1pm
July 31th: 9am – 1pm

Register online at roadrunnerfieldhockey.com

The cost is \$45 per clinic, attend both clinics for \$80. All youth players and goal keepers of all ages and skill levels are welcome.

Forms will be posted at www.calcup.com
For more info please contact Coralie van Marken at jimcormeg@att.net • 805.653.1829

Hope to see you there.

Coach of the Year – Binh Hoang

Binh grew up in Moorpark and Westlake Village, and started playing field hockey at a young age for the Conejo Bulldogs with the his two older brothers. Binh is known as a prolific goal scorer and is a former member of the USA National Team where he represented the USA at the 2007 Pan American Games and 2001 World Cup qualifying tournament. Hockey has always been a family affair for Binh; over 4 years ago he started coaching his nieces, and now he coaches his daughters. Binh has been the Bulldogs U14 and U17 girls teams coach ever since then and has coached his teams in numerous Cal Cups, Hockey Festivals and various college tournaments. By sharing his extensive hockey knowledge Binh has helped to send many of his players onto the next level to play in college. Juggling a new born son, coaching, playing and also recently opening Q Sushi in Westlake Village, Binh manages to bring his enthusiasm to everything he does. The FHF would like to thank Binh for his many years of service to the hockey community and also wish him good luck with all of his endeavors.

**Coach of the Year –
Samantha McPherson**

Sam McPherson is no stranger to playing field hockey, Sam started playing in the FHF league at age 13 and has played for various clubs within the league including the Roadrunners, Camarillo Cougars and the Monarcas before going off to play Division 1 field hockey for Dartmouth. Upon her graduation Sam returned home and is currently volunteering as a coach for the Ventura Roadrunners youth teams and the Futures Program. Sam brings a wealth of knowledge and experience with her that she gained playing on the East Coast at the highest collegiate level, being a local and growing up playing in the league she can relate to the players she coaches and effectively brings out the best in them. Sam is currently playing for the Jolie Pitts in our D1 Women’s division. She is a previous FHF award winner as the Female Athlete of the year in 2009. The FHF would like to thank Sam for her dedication to the sport and her contributions as both a player and coach.

**Male Athlete of the Year –
Robert Stephens**

Congratulations to Robert Stephens on being selected Male Athlete of the Year! Robert is a previous winner of the Promising Young Umpire award. Robert is a very dedicated athlete is being recognized for his leadership and his efforts on and off the field. Robert is playing in our U18 boys division and in the D1 Men’s division. He is also coaching one of the Moorpark U14 boys teams. Robert is a member of our Ventura County Red Devils high performance group and was a 2014 Junior National team member. He recently travelled to Philadelphia to play against our friends from the East Coast. When he is not playing or coaching or practicing, Robert is a Cross Country runner and Distance Track athlete for Moorpark High School. He recently ran a sub 5 minute mile. Robert is also a dedicated volunteer outside of Field Hockey, he is a long time scout who is pursuing his Eagle Scout award this year. Thank you Robert for your dedication and service to Field Hockey!

**Alex Stamatovic Volunteer of the
Year – Kim Whitehead**

Kim Whitehead is a relative newcomer to the FHF, but she has immersed herself in making things better for us all since before she began as Director of Facilities. Kim sees things that need to be done and does them. This summer she noticed that our snack shack was getting a little worn down and she pulled everything out and repainted and reorganized. Kim was elected as Director of Facilities this fall and has given countless hours of her time (and Blake’s time) getting our gear organized and cleaned up. All of our goals have been repaired and organized. By now Kim will have spent many hours sewing up the seams on the Super field with Janice Mohr. Please thank Kim for all of her back-breaking work and her commitment to the league and the membership. In addition to supporting her hockey family, Kim is a sports mom and very passionate about supporting her own children. Her son Blake plays waterpolo at Royal High school and for the Sharks WaterPolo Club. Her Daughter, Ashley, played soccer at Buena High school and Ventura College before transferring to CLU. Her son R.J. swam and played waterpolo for Buena HS, he’s currently serving in the US Navy based in Honolulu Hawaii. On behalf of the FHF I would like to thank Kim for her service and congratulate her on being Volunteer of the Year.

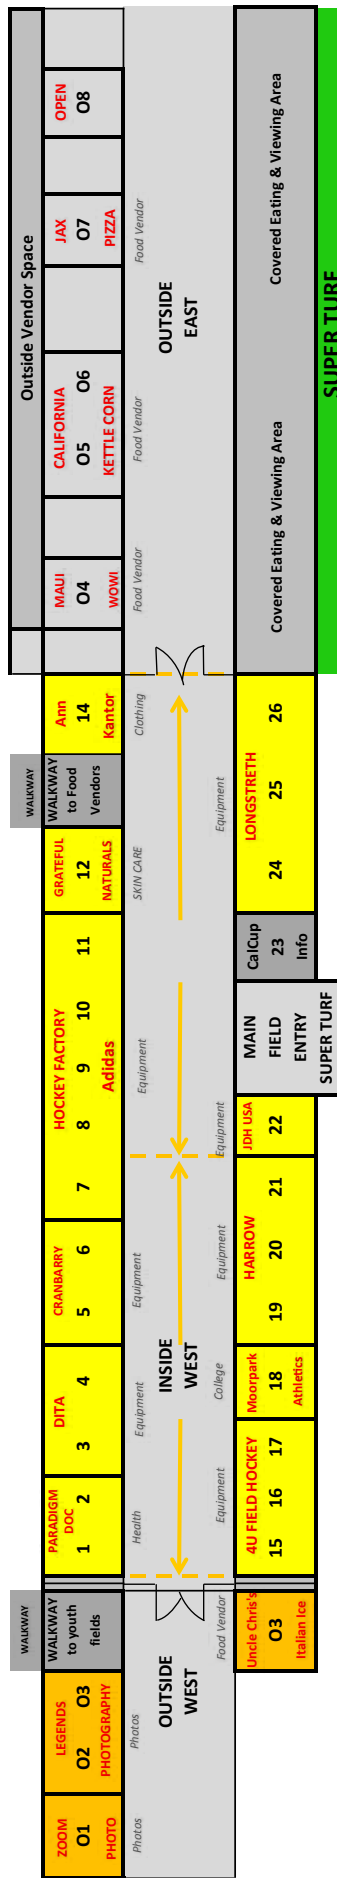

**George Waterman Sportsman
of The Year – Lindsay Coony**

For people who have seen (and heard) Lindsay Coony on the field, it’s hard to imagine the game of hockey without her. Her presence is not confined to the goal cage that she has tended for over 20 years. She made her start in middle school with the sport her dad had also played. In high school, she played for the competitive Torrey Pines team and honed her skills at Futures. Lindsay then went on to play for Bates College, where she racked up a career 224 saves and a .821 save percentage. In grad school, she started every game for the UC Santa Barbara club and carried them to a WCFHC Championship title.

Post-college life was missing something, as Lindsay wanted to continue playing the sport she loves. She sought out the FHF league in Moorpark. When the league experienced a goalie shortage, she stepped up to help. Now it’s just not a typical Sunday without Lindsay playing in at least 3 games. Lindsay’s dedication to the sport led her to start the Oh Yeah! Field Hockey Club, helping to grow the women’s division, and bringing together players from northern and southern California, Canada and the Netherlands. She has made some of her greatest friends through field hockey, and they can attest to how much she loves the game.

Venue Maps – Parking

Moorpark College Fields and Parking

Moorpark College is the primary site for the California Cup. The Super Divisions games are played here, the vendor tent is here and the awards ceremonies will be conducted here.

From Moorpark Fields to Arroyo Vista Fields

- Head West on Campus Park Dr towards College View Avenue
- Turn left onto Collins Dr
- Take the California 118 W ramp on right
- Merge onto CA-118 W – Go 1.5 miles
- Take exit 18B for CA-23 / Los Angeles Ave
- Turn right onto Los Angeles Ave
- Continue to follow Los Angeles Ave (2.1 miles)
- Turn left onto Tierra Rejada Rd (0.6 miles)
- Turn left onto Countrywood Dr (0.6 miles) to Parking Lot D.

From Arroyo Vista Fields to Moorpark Fields

- Head west on Countrywood Road for 0.6 miles
- Turn right on Tierra Rejada Rd (0.6 miles)
- Take the 3rd right onto W Los Angeles Ave (2.3 miles)
- Turn right to merge onto CA-118 East
- Go 1.6 miles – Take Exit 19B for Collins Dr
- Turn left onto Collins Drive (0.4 Miles)
- Take the 1st right onto campus Park Drive (0.3 miles)

California Cup Awards Ceremony

PLAYERS' BENCH

BLEACHERS

Grass Divisions Awards Instructions

- Awards will be presented immediately following the Men's Super-Division Championship game.
- 1st, 2nd and 3rd placed teams for all Divisions will meet with their Division Leader during the Men's final game.
- As soon as the Super Men Championship game ends, please walk up to the designated cone site for your division. Please see diagram for standing placing on the Field.
- Stand next to your Division Cone, on the line, left to right as follows: 3rd, 1st in the middle and 2nd place to the right in preparation to receive your individual medals.
- Teams with medals are to respectfully remain standing in line until ALL Awards have been presented to ALL divisions.
- Parents and other supporters are to remain OFF the Field until the Ceremony has been completed.
- Music will signal completion of the Awards Ceremony. Team pictures may then be taken on the field.

Field Hockey Recruiting 101

Everything you need to know about the collegiate field hockey recruiting process!

Get all your questions about the college recruiting process answered.

- Learn about the differences between the three divisions in terms of both athletics and life as a student-athlete.
- See schedules for each year of high school in terms of what an athlete can and should be doing to be an active participant in their own recruitment.
- Learn how and when to speak to college coaches.
- Learn how to view recruitment as a two-way street.

Tournament Grass Rules

All matches will be played according to the FIH Rules of Hockey 2015 with adjustment to Rule 13.2 by the FIH Rules Committee dated 16th February 2016 and modified as shown below.

1. TIME

- a. Duration of all matches shall be two periods of 25 minutes each.
- b. All match times will begin and end at the sound of the buzzer at the timekeeper's table per schedule- regardless of its starting time.
- c. The match can only be prolonged at half time and full-time to allow completion of a Penalty Corner and any subsequent Penalty Corners or a Penalty Stroke.
- d. All matches will begin on time unless the captains mutually agree in the presence of one or both umpires to start late.

2. SUBSTITUTION

- a. All substitutions must only take place over the SAME sideline at mid-field after the player coming off has exited the field.
- b. Substitution of Goalkeepers can only take place if the goalkeeper coming on already has all protective equipment on. No more than 30 seconds will be allowed for the substitution of goalkeepers.
- c. No substitution of goalkeepers will be allowed in the last 2 minutes of a match unless necessary due to an injury.

3. NUMBER OF PLAYERS

- a. All grass divisions will be played 11-a-side except the U14; U12 & U10 & U8 matches which will be played 7-a-side.
- b. Maximum number of players for Competitive Division, U-19, and U-16 rosters is (16) sixteen; Social Division 18; Maximum number of players in the U14, U12, U10 & U8 Divisions is 11.
- c. All Adult Divisions teams must field at least eight (8) players for each match. The U14, U12, U10 & U8 teams must field a minimum of five (5) players to avoid a forfeit.
- d. All mixed teams U-12, U-10 and U-8 shall have minimum 1 female player at all times on the playing pitch excluding the goal keeper for the U-12

4. CODE OF CONDUCT

- a. Tournament Related – All Team Managers will be required to sign a "Code of Conduct" form at the time of registration. This form requires Team Managers to be responsible for the behavior of their teams, including players, spectators and followers at the tournament sites. Violation of these rules, abuse to players, officials or grounds may result in that player, manager, coach or the entire team's ejection from the tournament by the Executive Committee. Members of any team so ejected will be required to remove themselves from all tournament sites within one hour of being notified. The decision of the Executive Committee will be final.
- b. Match Related – No one, other than the approved medical emergency personnel, tournament officials, and players on the team roster shall enter the field of play during the conduct of the game. The coach, manager, parent or legal guardian of the team may enter the pitch to assess injury to a player with the permission of the umpires. Any player or team official, coach, manager, spectator who is involved in a disturbance engaged in a verbally abusive, provocative, threatening behavior etc., with anyone on or outside the field of play in a match related incident, will be subject to be carded

by the umpire (warning, suspension and or ejection from the field); touching, pushing or shoving the umpire or officials is subject to ejection from the field. Furthermore, whether or not aforementioned offenses occur at a tournament site, away from the field of play, the individuals involved will be subject disciplinary action by the Tournament Disciplinary Committee and maybe subject to review by local law enforcement. The manager of the player / official is also subject to the disciplinary action.

The manager of the player / official subject to the disciplinary action may, within one hour after the decision of the Disciplinary Committee, file an appeal in writing to the Tournament Appeals Committee to review the decision. The decision of the Tournament Appeals Committee will be final.

c. The Moorpark College Campus Police or other security or tournament officers may intercede at their discretion in any incident.

5. AGE VERIFICATION - (U19, U16, U14, U12, U10 & U8)

Team Managers / Coaches are required to keep photocopies of proof of identification & age (birth certificates or passports) of all player(s) on their rosters in a folder/binder. This folder/binder must be with the Team Manager / Coach during all their matches and must be made available immediately upon request to opposing Team Managers / Coaches and the, umpires, Competitions Committee or designee, for inspection for the purpose of identity & age verification. Any team unable or unwilling to produce documentation as required risk forfeiting all matches with no recourse/refunds and may be banned from future tournaments at the discretion of the Executive Committee. All teams are thus reminded to bring photocopies of their player's identification such as birth certificate, drivers license or official school issued documents.

Age Requirements

U19 Born on or after 01-01-1997

U16 Born on or after 01-01-2000

U14 Born on or after 01-01-2002

U12 Born on or after 01-01-2004

U10 Born on or after 01-01-2006

U8 Born on or after 01-01-2008

6. ROSTERS

Minimum of 3 female players should be on the playing roster of U-12, U10 and U-8 teams. Only those players on the team's roster registered with the tournament may play for the team. Any use of unauthorized players will constitute a forfeit and may result in the team's disqualification from the tournament at the discretion of the Tournament Executive Committee. All players must wear and display the assigned wristbands to the umpires or other tournament officials before the start of each match. Any changes/additions to a team's roster must be approved by the Tournament Committee prior to the team's first match. No player may play on more than one team during the tournament. Female players may not play on male teams and vice versa, except in the U12, U10, and U8.

- a. Social division teams must field a minimum of 5 female players during their matches at all times.
- b. No player shall be permitted to participate in a match without wearing an approved wristband issued for the respective division.

Tournament Grass Rules

Lost wristbands are available from the Tournament Committee at a cost of \$15 cash upon positive verification of identity.

7. PLAYERS JERSEYS / EQUIPMENT

All players must wear their team's uniform. All teams' players' jerseys MUST have different numbers. A player may NOT take part in a match if his/her jersey does not have proper numbers as specified below.

- a. The numbers must be on the back of the jerseys.
- b. The numbers must be large enough (8 inch high) to be identified by umpires easily from 50 yards away.
- c. Numbers produced by markers or by any other means that can't be identified from 50 yards away will not be accepted.
- d. If both teams have similar colored team jerseys, the team listed first in the schedule will wear the pennies available at the Umpires Tent unless they have alternate non-color clashing uniforms. A valid driver's license will be required to check out the pennies which must be returned as soon as possible at the conclusion of the match. Missing pennies will cost \$15 cash, each.
- e. Goalkeepers must wear protective headgear at all times and their jersey color must be different than the jersey colors of both teams.
- f. Shin guards & Mouth Guards are required for all players in age specific Divisions (U19, U16, U14, U12, U10 & U8). No player shall participate in a match without them. Although Shin & Mouth guards are not mandatory in the Adult Divisions, they are highly recommended.

g. Players defending Penalty Corners are permitted to wear facemasks as specified in the FIH rules.

h. No player shall play without the official colored wristband issued to the player, for the age division.

8. GOALKEEPERS – Not applicable to U10 & U8 Divisions

- a. Goalkeepers must wear protective equipment comprising of at least headgear, leg guards and kickers. The headgear and any hand protectors may be removed when taking a penalty stroke.
- b. Teams may field a goalkeeper (not applicable to the U14 & U12 Divisions) without all the protective gear provided that the goalkeeper:
 - c. Wears a shirt that is different in color from that of both teams.
 - d. May wear protective gear when inside the 25 yards line.

e. Must wear protective headgear when defending a penalty corner or penalty stroke.

9. SCORING

Each goal will be recorded by the umpires on the tournament score card. Pool matches will result in 3 points for a win, 1 for a tie, and 0 for a loss. No goals scores shall be kept for U-8 Division

10. FORFEITS

Any team not prepared to play within 3 minutes of the scheduled time may be required to forfeit the match at the umpires' discretion. The score of a forfeited match shall be 0-3. If neither team is ready to play at the scheduled time the score shall be recorded as 0-0 and no points will be awarded to either team. If one team forfeits while the match is in play and the other team is leading by more than three goals, the actual score will be recorded.

- a. Any Team(s) that forfeits a match will lose their forfeit deposit.
- b. Teams that forfeit a match risk forfeiture of all matches (past & future) at the discretion of the Executive Committee.
- c. Teams and players of a forfeiting team will be given a very low priority in future tournaments.

11. POOL STANDINGS - will be determined as follows:

Competitive / Social / U19 / U16 Divisions

- a. Teams will be ranked according to their total number of points.
- b. Should two or more teams be tied, teams will be ranked according to their respective number of matches won.
- c. Should two or more teams still be tied, the tied teams will be ranked according to their respective goal difference (Goals for minus goals against). A positive goal difference takes precedence over a negative one.
- d. If two or more teams are still tied, teams will be ranked according to their respective number of goals scored.
- e. If two or more teams are still tied on points, same number of matches won and same goal difference, then the result of the match between those teams will determine the ranking of the teams. The winning team will be ranked higher.
- f. If two or more teams are still tied, the standings will be settled by a penalty stroke competition between those teams (see section 12 for penalty stroke procedures) at a time & place determined by the Competitions Committee.

ii. U14 / U12 / U10 / U8 Divisions

a. If two or more teams are tied on points to determine final standings for the playoffs, tie breaking provisions shall be as follows: Points Number of matches won, Goals difference, Least number of goals scored against.

Results of match scored between the tied teams.

b. If still tied in the Under-14 division, matches will go straight to penalty strokes between the tied teams. The strokes shall be taken from the regular penalty stroke spot at a time & place determined by Competitions Committee.

c. If still tied in the Under-12 division, matches will go straight to penalty strokes between the tied teams. The strokes shall be taken from a spot one hockey stick length closer to the goal line from the regular penalty stroke spot.

d. If two or more teams are still tied in the U10 & U8 divisions heading into the playoffs despite the tie-breaking provisions as listed under section #11-ii-a, a coin toss will determine the winners instead of penalty strokes.

12. TIE BREAKER PROCEDURES IN PLAYOFFS (U12, U10 & U8 Divisions – See #m & #n)

During semifinal and final matches, the following penalty stroke procedures will be used to break ties.

- a. The umpires will determine which goal will be used unless specified by the Grass Div. Technical Officers.
- b. First team to stroke will be determined by a coin toss.

c. Team managers/captains will select five players from their respective teams. Only players on the teams approved roster, excluding any player(s) who has been ejected (red card) by either the umpire or suspended by Tournament Officials, shall be eligible to take the strokes. The order in which they will be taking the first series of strokes will be made known by the managers or captains to the Umpires or Tournament Officials prior to the start of the penalty stroke competition.

d. Each team shall alternately take penalty strokes against one and the same goalkeeper of the other team until a total of five strokes from each team have been taken. The team scoring the most goals shall be declared the winner. The players must take the strokes in the same sequence as the list of nominated players communicated by the manager or captain to the Umpires or Tournament Officials prior to the start of the penalty stroke competition. Goalkeepers can't be changed unless injured or ejected.

e. If during the penalty stroke competition, a player (either a stroke taker or a goal-keeper) is suspended, that player shall take no further part in the penalty stroke competition and, unless a goalkeeper, cannot be substituted. If a stroke taker, any stroke the player should have been entitled to take will be counted as no goal. If a goalkeeper is suspended, the replacement may only be from one of the nominated stroke takers. The player replacing the goalkeeper may continue to take the penalty strokes but, when required to defend penalty strokes, must wear protective headgear. This player may also wear other approved goalkeeper equipment.

f. If the score is tied after the first round, a "Sudden Victory" series of five penalty strokes per round will take place using the same five players. The sequence does not need to be the same as in the previous round and the team manager/captain has the freedom of choice at the time of each stroke as to which of the five nominated players will take the stroke using all five nominated players per round. If a goalkeeper or player is incapacitated or suspended/ejected (yellow/red card) by either the umpires or the Tournament Officials during any round of five strokes, he/she may be replaced by another player for each subsequent round of "Sudden Victory".

g. The first team to be awarded more goals than the opposing team after an equal number of strokes has been taken by each team in any "Sudden Victory" round shall be declared the winner.

h. The goalkeeper, if selected to take strokes, may remove only the gloves and helmet.

i. Team managers, goalkeepers, and nominated stroke takers will remain outside the 25-yard area during the penalty stroke competition until directed by an umpire or Tournament Official to take or defend a penalty stroke.

j. All other team members and spectators shall remain near the 50-yard line or off the playing field area.

k. The penalty stroke competition will take place within a reasonable time at the conclusion of regulation play, as determined by the umpires and tournament officials.

l. U12 Division - The strokes shall be taken from a spot one hockey stick length closer to the goal line from the regulation penalty stroke spot.

m. U10 & U8 Divisions - Instead of using a Penalty Strokes process in case of a tied match, teams will instead play a 5 minute sudden victory period with one less player each (6 players). If match is still tied after 5 minutes, teams will play a second 5 minute sudden victory period with just 5 players per team. If still tied, teams will play consecutive 5 minute sudden victory periods with only 4 players until a goal is scored.

13. DISCIPLINARY ACTION- During matches - Colored cards will be used by umpires at their discretion to signify the following:

a. Green card – 2 minute suspension. Time starts after the player exits the field of play.

b. Yellow card - temporary suspension for a minimum of five minutes. After the player exits the field of play.

c. Red card - permanent match suspension*.

d. Accumulation of yellow Cards:

Any player receiving more than 3 yellow cards or more in pool matches will be automatically suspended for the next match – including semi-final or placing match. The accumulation of yellow cards rule will not apply in all semi-final and placing matches.

Any player red carded in a match will have his/her name, jersey number and the circumstances recorded by the umpires and shall automatically be suspended from his/her team's next match. Based upon the umpires report & the severity of the infraction, the Tournament Disciplinary Committee will determine that player's eligibility for further participation in the tournament beyond his/her one match suspension. Any team using a suspended / disqualified player shall forfeit the match in which the disqualified player was a participant. The team may be subject to disciplinary action by the Tournament Disciplinary Committee and the disqualified player will immediately be ejected from the tournament.

Any red-carded player shall not participate as an umpire during suspension.

14. UMPIRES CHECK IN

All umpires MUST check in at the umpires' tent at least 15 minutes before the start of the match they are assigned to officiate. If a match is postponed/delayed because an umpire failed to complete his/her assignment, his/her team's next match may be forfeited / canceled and their umpires deposit fee forfeited. The original postponed match will then be played during that time period.

15. PROTESTS / APPEALS

Time out shall not be taken to lodge a protest or appeal during matches. Judgment calls cannot be protested. The captain of a protesting team should notify either umpire to note the time of the disputed decision. At the end of the match, the captain of the team wishing to lodge a protest shall notify the captain of the opposing team and must file the protest within 15 minutes after the match ends.

a. Protests - Protest Forms will be available at the Umpires Tent. A monetary deposit of \$200.00 (cash only) must be posted with the protest. A receipt will be issued for the cash paid towards processing of the protest. The Tournament Appeals Committee will then review the protest and decide the matter promptly. Should the protest

be upheld, the deposit will be refunded. If the match needs to be replayed, it shall be scheduled in the first available time slot, and will begin from the point of notification of the protest to the umpire or any other time at the discretion of the Appeals Committee. If the protest is denied, the \$200 deposit will be forfeited.

b. Appeals - The decision of the Appeals Committee may be appealed to the Executive Committee. Appeals forms can be obtained from the Technical Officer / Umpires Tent. All Appeals must be accompanied with a monetary deposit of \$100.00 cash. Appeals must be filed no later than 1 hour after notification of the results of the protest. The Executive Committee will then review the appeal and decide the matter promptly. The decision of the Executive Committee will be final.

16. UNDER 14, UNDER 12, UNDER 10 & UNDER 8 DIVISIONS

a. Safety and Protection of the players from unsafe play is paramount in safe conduct of the game. Umpires will enforce all rules to prevent any dangerous situations that may result from the swing of a player's stick in all matches. No lofted balls

b. All penalty corners will be executed within 40 seconds after the award of the penalty corners. All penalty corners shall commence only after the umpire blows the whistle. U-8 and U-10 Refer to the penalty corner procedure in section 18 d:

c. The self-start rule will be applied in all divisions.

d. All Junior divisions will have a mercy rule in which matches will be recorded with a goal difference of no more than 5 goals. (i.e. 5-0, 6-1, 7-2, 8-3 etc.)

e. Any team manager or coach may exercise the "mercy rule" by conceding the match at any time their team is losing by a score higher than a 5 goal differential by notifying the opposing team's manager and umpires. The players can then continue to play on. The score at the time the "mercy rule" was exercised will be recorded as the final score.

f. FREE HITS – Awarded to the defending team from the 5 yards of their own circle:

g. Only players of the opposite team need to be 5 yards from the spot of the free hit.

h. FREE HITS – Awarded to the attacking team shall be taken no closer than 5 yards from the opponents circle: The ball, however must travel 5 yards from the spot of the free hit before it can be played into the circle, unless the ball is touched by an opponent.

i. All players from both teams, except the player taking the free hit must be 5 yards from the spot of the free hit and sideline free hits. Long corners are taken from the "16 yard " markers on the sideline, but parallel to the back line where the ball crossed the back line to go out of bounds. On sideline free hits, the ball however must travel 5 yards from the spot of the free hit before the ball enters the circle, unless touched by an opponent.

17. UNDER 14 & UNDER 12 DIVISIONS

a. Penalty strokes can be awarded and will be executed from the traditional penalty stroke spot for the U14 divisions. For the U-12, the stroke shall be taken from a spot one-stick length closer to the goal from the regulation distance spot.

18. UNDER 10 & UNDER 8 DIVISIONS

a. Teams will play without goalies or kicking backs.

b. Coaches are not allowed on the field shooting circle at all times.

c. The coach may not position him/herself to interrupt/interfere players from either team at any time. Umpire(s) may eject any coach for repeated violations of this rule with a yellow or red card.

d. While the umpires will not award penalty strokes, a player can be carded for intentional fouls inside the circle if necessary. The attacking team shall take the penalty corners, as a free hit in from the "16 yard" marker on the sidelines.

e. All players must keep their sticks below their waist at all times.

f. High sticking above the shoulder will be penalized. Repeated high sticking above the shoulder may be cause for temporary suspension of the player.

g. All U-8 & U-10 Division coaches "MUST" stay out of the "D", at all times. Coaches coaching comments and exhortations should be only directed to wards their own team players. Coaches must refrain from questioning umpire calls engaging in provocative comments. Violators will be subject to disciplinary action by the Tournament Disciplinary Committee.

19. MIXED SOCIAL DIVISION

a. Social division teams must field a minimum of 5 female players during their matches at all times. The first game of the tournament, a team shall not start with less than the minimum number of required female players. Under these circumstances, although the match may be played, the first match will be considered forfeit

b. If any of the female players are injured and unable to continue during a match and no female substitutes are available, the team may choose to play short the remainder of that match and all subsequent matches but under no circumstances are the teams allowed to field more than 6 men at any given time in any match.

c. The requirement of a minimum of 8 players to avoid a forfeit still applies.

20. FREE HIT

Procedure for taking a free hit, centre pass and putting the ball back into play after it has been outside the field: (Divisions U-16 and above):

a. the ball must be stationary

b. opponents must be at least 5 yards from the ball

If an opponent is within 5 yards of the ball, they must not interfere with the taking of the free hit or must not play or attempt to play the ball. If this player is not playing the ball, attempting to play the ball or influencing play, the free hit need not be delayed.

c. when a free hit is awarded to the attack within the 25 yards area, all players other than the player taking the free hit must be at least 5 yards from the ball, except as specifically indicated below for attacking free hits awarded within 5 yards of the circle

d. the ball is moved using a hit, push, flick or scoop

e. the ball may be raised immediately using a push, flick or scoop but must not be raised intentionally using a hit.

Tournament Grass Rules

f. from a free hit awarded to the attack within the 25 yards area, the ball must not be played into the circle until it has travelled at least 5 yards or has been touched by a player of the defending team

if the player taking the free hit continues to play the ball (ie no defending player has yet touched, it can be played into the circle by any other player including the player who took the free hit.

At an attacking free hit awarded within 5 yards of the circle, the ball cannot enter the circle until it has travelled at least 5 yards or it has been touched by a defending player. On this basis, defenders who are inside the circle within 5 yards of the free hit are therefore not interfering with play and may also shadow around the inside of the circle a player who takes a self-pass, provided that they do not play or attempt to play the ball or influence play until it has either travelled at least 5 yards or alternatively has been touched by a defending player who can legitimately play the ball.

Players inside or outside the circle who were 5 yards or more from the point of the free hit at its award are not allowed to move to and then remain in a stationary position within 5 yards of the ball as the free hit is taken.

Other than indicated above, any playing of the ball, attempting to play the ball or interference by a defender or an attacker who was not 5 yards from the ball, should be penalised accordingly.

Following a time stoppage after the award of an attacking free hit inside the 25 yards area, upon the re-start all players other than the player taking the free hit must be at least 5 yards from the ball.

It is permitted to play the ball high above the attacking circle so that it lands outside the circle subject to Rules related to dangerous play and that the ball is not legitimately playable inside or above the circle by another player during its flight.

21 Respect for Players, Officials, Playing Facilities and Equipment.

Please accord the courtesy and respect to all players, opponents and officials, as you would like to be treated, so everyone enjoys the tournament.

Help maintain the cleanliness of the beautiful facilities by putting trash, recyclable items in the appropriate containers.

No food or flavored drinks in glass containers or chewing gum is allowed in the Moorpark High School Stadium artificial pitch. Only water is allowed inside the stadium.

No dogs are allowed on any fields.

The Executive Committee may change any fixtures, fields & schedules as it deems necessary. The Competitions Committee shall determine safety conditions for play based on the amount of light remaining for the last scheduled game of the day, any other weather related stoppages or other unforeseen circumstances. The score, at the time matches are ended by darkness or other stoppages, shall be recorded as official for the match.

Errors and Omissions Excepted. For any latest update to the rules/ interpretation will be posted on www.calcup.com

Letter from the FHF President – Phil Schofield

Welcome to Cal Cup 2016! I would like to thank you all for coming and I hope that you enjoy your visit to Ventura County. We are all working very hard to make Cal Cup the best possible experience. Our group of dedicated volunteers has been planning and working tirelessly for many months to get ready for this weekend. Thanks also to USA field hockey for their continued support, we are pleased to be a sanctioned event.

The rains from our winter and spring helped mitigate the water shortage, but we are still in a drought and we still need to conserve. We anticipate continuing to provide water for the tournament, and we feel fortunate to be able to do so. We play the rest of the year dry. The Field Hockey Federation is working to replace our turf with a Wet/

Dry variety over the summer 2016. We will continue playing Cal Cup on wet turf but will have the option to play year round on dry.

FHF is prioritizing efforts to grow the sport locally in Ventura County with a focus on recruiting new players through our Middle and Elementary School tournaments which are held annually. Middle School recruiting was how I found my way into the sport in 1983 and how my family followed in 2011.

California continues to support the development of Field Hockey in the US. In 2015 twelve (12) local girls participated in the Pennsylvania National Futures Championship. The RUSH field hockey club has continued their run of dominance in the national tournament circuit. Brian Schledorn has his club ranking up to #5 in the country, and has had great success in training his players to be ready to play in college. California women were also selected to play in the women's junior national squad. Atherton's Callie Goodman, San Diego's Megan Rodgers and Vista's Brynn Zorilla have been travelling the country to train with this squad. Megan Rodgers was also recognized as one of 10 high school players in the US to score 60 goals in 2015. All three of them have committed to play for Cal, Go Bears!

The US Field Hockey U21 Men's squad and the US Senior team continue to maintain an important contingent of our local Moorpark FHF league players. The Junior Team faced some tough Canadian competition in early 2016 in the Olympic Training Center in Chula Vista; and have recently returned from a developmental trip to the Netherlands where they played a series of games against club teams who had National and Junior National team players. This series served to prepare the US U21 team for the Junior Pan Am games in Toronto from where they will return to compete in Cal Cup.

FHF is committed to continue with the development of our youth teams too. Our local high performance boys have played several matches against our East Coast friends in Chula Vista and in Pennsylvania in April. We are looking to include more competition with Canadian clubs in the future.

I would like to thank all the teams that have travelled so far to come and play with us! Your participation makes this tournament a success. I would also like to thank the Cal Cup Operating Committee and all the volunteers who have served countless hours toward making this tournament a go. Without YOU none of this would be possible.

Phil Schofield – FHF President
