

## REPORT DECISION DISCIPLINARY HEARING

Tacarigua, Trinidad and Tobago April 5<sup>th</sup>, 2016

**Gonzalo Ferrer**  
**Uruguay Team Coach**

The reason for the hearing was misbehaviour on the Team bench during game #14 Canada vs Uruguay.

The statements from the Technical Officer on Duty and what observed by myself, it was clear that a breach had occurred.

The observed behaviour was that of disputing and reacting in a disapproving and inappropriate manner towards decisions made by an umpire and repeated statements made that "Uruguay will never win a tournament due to politics."

Mr. Gonzalo Ferrer did not accept the breach of the Code of Conduct.

Mr. Ferrer had no disciplinary history for this tournament and his attitude at the hearing was good.

According to the FIH Code of Conduct his behaviour is a Level 1 offence.

It is my decision that Mr. Ferrer will receive an official reprimand.
