HT: That is the half time horn.

70: URU move into the 25.

70: Running out of time.

70: Some hard tackles but no corner

70: Now in the circle it's a hard tackle for a corner

70: Only 20 seconds to play and URU with a corner to win this match

70: Time now out so this will be the final play

FT: Not much there for URU. A very sloppy corner and we are going to overtime.

FT: BRA dictating the play in the middle of that half and were rewarded and they should have the momentum.

FT: URU with a poorly executed penalty corner with no time left which must be disappointing.

FT: URU has already played and beaten Venezuela in penalties and Mallo made three saves in that match

FT: BRA ready to go and URU in a huddle

71: A bad play for BRA right off the start and Perez running hard

71: URU near the circle and Berthold stops that

71: URU moves forward again

71: They are near the circle

71: Draper into the circle and it goes by the far post

72: Carrara unable to stop that.

72: Good give and go for URU but it pops up

74: URU looking better in this half

74: Draper with a great run around Rocha but Burton there to clear the ball

74: URU crossing this one.

75: It's high and BRA slowly getting organized

75: Here is a collision in the midfield

75: Carrara with some physical play and he will get a yellow card

76: No doubt about that but the BRA player retaliates and pushes Carrara and he will get a yellow

75: So now they will play 10 aside and

75: Brazil with a free hit.

75: The whistle hasn't gone yet and there is a lot of pushing in the circle

75: HOCK for BRA with the other yellow card

75: A break for URU but another good tackle by Berthold

75: In the midfield and a physical tackle by URU and that could have been a card

75: Good tackle by N. Tixe . He is running up the left but it goes out of bounds

75: BRA counter but Neves loses it. A long pass for Perez and he is in the 25.

75: Draper looking for a pass and it's intercepted. Good read by BRA

77: And that is it for the first extra time period

77: There is some great emotion in this game and although there is some physical play it isn't too rough

77: Still some time to decide this in overtime as the teams switch sides.

80: Play in the midfield now and neither team getting momentum

80: BRA steal it and They run in the midfield

80: BRA up the right and they get a long corner

81: Still BRA up the right

82: They lose it and N. Tixe running well and URU is at the top of the circle

82: That pass into the circle is high

83: BRA with a nice chance up the right and Mallo with a sliding stick save to hold the score

84: He is pumped up and is looking confident for the strokes

84: BRA coming up and they get a free hit near the circle

84: They switch and it's off the defender for a long

85: Out comes Carrara and there is some room

85: Cornalino not able to get the pass

85: BRA switch and with 30 seconds to play they try to move it up

85: And now right with only 2 seconds to play BRA at a corner

85: A corner after extra time for BRA and a chance to win this game outright

85: What Drama

85: Straight shot and it's saved by Castillo and cleared.

85: We are going to penalty strokes

PS: Advantage has to be with Uruguay as Mallo made three saves in the previous game.

PS: URU took the lead in the first half from Perez in the 20th minute and BRA countered with 5 to play in regular time .

PS: A few chances for both teams in the overtime but no one could decide it

PS: BRA to start the strokes

PS: Saved by Mallo off of Neves

PS: Next it's Draper against Rocha

PS: GOAL: Low glove side as Rocha is going the other way

PS: Another save by Mallo

PS: He is moving a lot before the shot

PS: GOAL for Chile

PS: GOAL for Brazil.

PS: GOAL Chile

PS: Mallo needs one save here

PS: GOAL for Brazil

PS: GOAL: Tixe with the goal and URU win the match

Final: So URU win their second penalty stroke win and they are now celebrating by running around the field with the URU flag

Final: They get 9th place with a convincing performance in the penalty strokes

Final: Nicolas Tixe with the game winner and Mariano Mallo with 2 saves for URU

Final: Disappointing for Brazil as they played very well and worked hard through the game

Final: More singing from URU on the sidelines and they have won their final two matches in their first Pan American Competition

Final: Brazil more subdued but should be proud of their efforts. The South American teams will only get stronger over the next few years and will challenge the Caribbean teams soon

Final: This is Hari Kant signing off from London Canada for PlanetFieldHockey and the Pan American Hockey Federation
